School Council President – Jess Harriott

### KEY DATES

**18th September** - Term 3 Ends

**2:30pm** finish

**4th October** - Daylight Savings starts

**5th October** - Term 4 Starts

**8th - 15th November** - NAIDOC  
Week

### Middle Years Green

Students in Middle Years Green have all had a fantastic term 3, with lots of amazing learning taking place. In science we have been learning about the water cycle and saving water. As a class we have taken photos and identified many different places we can find water, as well as lots of ways that we use water around the school. This term we have completed experiments that have helped us begin to learn about evaporation and condensation. We have also enjoyed water play where we had lots of fun pouring and mixing colours in water. Students have planted seeds and seedlings and have watched them grow and change.

## PRINCIPALS MESSAGE

As the days become a little warmer and the sun stays out little longer, we have come to the final week of term 3!

### SSG's

It has been a positive and productive end to the term with some great opportunities to reflect on the learning of our students in the Student Support Group meetings last week. Thank you to all our families for being flexible and engaging with classroom teachers through Webex and by phone last week to complete this important work.

### COVID-19

We continue to be grateful to families for supporting the 'new normal' routines resulting from the Covid-19 Pandemic. We will continue to update you with any new requirements as they are announced by the State Government. As per current arrangements, Specialist Schools remain open for all students. We look forward to seeing all of our students back at school on the **first day of term 4, Monday 5th October, 2020.**

As the restriction ease, it becomes more important than ever that families ensure children are kept home if they have even the mildest symptoms. Students should not return to school until all symptoms have gone away. We understand this can cause inconvenience and we thank our families for supporting us to keep our school safe, healthy and free from COVID-19. Our staff are taking every precaution to ensure our students stay healthy and our school stays open and we really appreciate the contributions our parent community makes by following these processes.

Finally, I hope all of our students, families and staff have a wonderful spring break over the next two weeks, we look forward to continuing our positive and engaging learning programs in term 4.

*Michele Marcu*

Acting Principal
