

Hamlyn Views School

Enrolment Policy

1. PURPOSE

Hamlyn Views School (HVS) is a Special Developmental School (SDS) that provides a Foundation to Year Twelve education for students with a Moderate to Profound Intellectual Disability. This policy has been developed to ensure clarity for the local community on our specialist school enrolment criteria and ensure a smooth and supported transition for enrolling students.

By law in Victoria all children aged between 6 and 17 years must be enrolled at a registered school or registered for home schooling unless they have a reasonable excuse.

School participation is important as it maximises life opportunities for children and young people by providing them with a comprehensive educational program and access to support networks. It also helps to develop important skills, knowledge and values that set them up for further learning and active participation in their local community.

2. ELIGIBILITY CRITERIA

The Department of Education and Training (DET) has a School Enrolment Policy that must always be followed.

To be eligible to attend HVS a student must meet all of the criteria below:

- Live in the Designated Transport Area (DTA).
- Live outside the DTA but have a preference to enrol at Hamlyn Views School for a specified reason and aware the student will be ineligible for assistance from the Students with Disabilities Transport Program (SDTP).
