# Hamlyn Views School

## Bus Fundraising

Established in 2018, Hamlyn Views School is a Special Developmental School providing specialist education for children and young people with a moderate to profound intellectual disability.

We are currently fundraising to purchase a bus for our students to access the community through a range of camps, sports and excursions.

If you're able, we would love for you to make a donation to help us achieve our goal.

Donations can be made via the direct deposit information below.

All donations are tax deductible.

Please contact the school office if an individual receipt is required.

Thank you in advance for supporting our students and our school.
