PURPOSE

The purpose of the Student Dress Code is to outline Hamlyn Views School's requirements for student dress and appearance and to provide information about uniform purchase and support, dress code implementation and exemption processes.

This dress code has been developed by Hamlyn Views School Council in close consultation with our school community to ensure that it respects the rights of individual students whilst reflecting the values and interests of our community.

The Student Dress Code aims to:

- Foster a sense of community and belonging and encourages students to develop pride in their appearance
- Support Hamlyn Views School commitment to ensuring that our students feel equal and are dressed safely and appropriately for school activities.
- Reduce student competition on the basis of clothing
- Enhance the profile and identity of the school and its students within the wider community.
- Prepare students for expectations of workplaces

The School Council has developed a Dress Code that we believe provides a range of choices for students and is cost effective for families.

SCOPE

Students are expected to comply with this Student Dress Code whilst traveling to and from school, during school hours and when attending school activities.

UNIFORM AND APPEARANCE

The Student Dress Code applies during school hours, whilst travelling to and from school, and when students are engaged in school activities out of school hours. **Wearing the school uniform is an expectation for all students at Hamlyn Views School.**

General appearance

- a. Hair that is longer than collar length or a length that is deemed unsafe for school and work skill programs should be tied back.
- b. Tattoos (including temporary transfers) are to remain covered at all times.
- c. Students should not wear or appear with:
 - Hats and beanies inside.
 - Steel capped boots*, high-heeled shoes, open-toed sandals or thongs for safety reasons.
*The exception to this is when Later Years students are wearing steel capped boots during applied learning programs (e.g. garden crews)
 - Extreme hair colours e.g. Green, pink or purple rinses, or extreme hairstyles e.g. Mohawks. Unless for an approved fundraising activity such as 'crazy hair day'
 - Necklaces which are visible outside student clothing.
- d. Uniforms should be clearly marked with the owner's name
- e. Additional layers of clothing may be worn underneath the uniform for added warmth.

Jewellery and cosmetics

- Ear studs or sleeper earrings may be worn unless required to be removed or covered for safety reasons e.g. for Physical Education activities.
- Earrings should not 'dangle' or hang from the ear for safety reasons.
- Piercings to the body and face other than the earlobes should be concealed.
- Necklaces (including religious necklaces) may be worn inside clothing.
- Flat rings only should be worn – maximum two each hand.
- Clear nail polish and discreet cosmetics are acceptable.
- Watches may be worn, but they may be required to be removed for some activities such as Sport, Cooking, Woodwork or Art.

Hair and Safety

- f. Sunglasses are permitted to be worn during outside activities. They should be close-fitting, wrap around styles that meet the Australian Standards 1067.
- g. Shoulder length or longer hair should be tied back to help restrict the spread of nits and lice and for student safety.
- h. Sun Smart hats should be worn while outside from mid-August to the end of April as per the school's Sun Protection Policy.
- i. Footwear should be sturdy and comfortable such as leather school shoes or sneakers.

IMPLEMENTATION

Hamlyn Views School will ensure that this Student Dress Code, Uniform Items List and Uniform Supplier details is communicated to all families and students through our website and Enrolment Pack. We will assist students who may be experiencing difficulties complying with this policy where possible.

In the event that a student attends school in clothing that is not a part of the Student Dress Code for any reason, clean school-owned uniform items may be offered to the student to wear for the day - returning it at the end before returning home.

If a student breaches the Student Dress Code on a recurring basis, a note will be provided to the student and parents by the classroom teacher. If non-compliance with the Dress Code becomes a continued occurrence, the Principal will be informed and contact made with parents/carers as required. In this event, the school will continue to work with the student and family to support compliance.

Exemptions to Student Dress Code

We recognise that there may be situations where the application of this Dress Code may affect students unequally. Students and their parents/carers may apply either in writing or in person to the Principal for an exemption to this Student Dress Code if:

- an aspect of this code prevents the student from complying with a requirement of their religious, ethnic or cultural beliefs or background
- the student has a particular disability or health condition that requires a departure from the dress code
- the student or their parents/carers can demonstrate particular economic hardship that prevents them from complying with the Dress Code.

When the Principal receives a request for an exemption, they will:

- consider the grounds for the exemption request
- explain the process to the student and/or their parents/carers
- encourage the student and/or their parents/carers to support their application with evidence.

The Principal or delegate will then try to negotiate a resolution that is acceptable to all parties. If an exemption is not allowed, then written reasons will be provided to the student and/or their parents or carers.

- The Student Dress Code, including a Uniform Items List and uniform supplier details, will be provided to parents.
- Teachers will ensure that students follow the Dress Code whilst at school and on community based activities.
- The Principal is responsible for the Student Dress Code to be implemented in a manner consistent with the 'Effective Schools are Engaging Schools – Student Engagement Policy Guidelines' and the schools 'Student Engagement and Inclusion Policy'.
- Consultation processes for any proposed changes to the Student Dress Code will include seeking the viewpoints of students, parents/carers and school staff prior to School Council endorsement.

- The implementation strategy and timeline for any amendments to the Student Dress Code will be published for the school community.
